

SINGAPORE TAEKWONDO FEDERATION
Policy on Accreditation
For Coach Certificates/Qualifications

Singapore Taekwondo Federation (STF) is fully aligned and supportive of SportSG's National Coach Certification Programme. STF does not offer or organise SGCoach Technical course. The Singapore Coach Excellence (SGCoach) Taekwondo Full Integration Coaching Course is now offered/organised instead (since 2021). It comprises three core components, i.e. Theory, Sports Science and Technical (sport-specific). Safe Sport which is such an important aspect of coaching is also included in the course content.

Please note that STF no longer provides accreditation for the Technical component. STF requires all coaches (even those who possess coaching or sports degrees) to participate in the SGCoach Taekwondo Full Integration Coaching Course, beginning with Level 1 (Participation Coach) and then progressing to Level 2 (Competition-Ready Coach).

Those who have sports degrees/ coaching qualifications may apply to CoachSG for accreditation for the SGCoach Theory and Sports Science components – please use the following link - <https://form.gov.sg/63ea0a2309bc0c0011aff646> (form for recognition of prior learning).
